## STEAKS & GRILLS

We have sourced fantastic steak through our butcher Phillip Clarkson. All of our beef comes from Harmony Farm & is all "Farm Assured". The quality & taste is improved by careful ageing. We serve all our steaks traditionally, cooked to your liking, garnished with homemade onion rings, sauté mushrooms, grilled tomato, garden peas & a choice of potatoes. Rib-eye steak displays a natural marbling of fat which enhances the flavour & texture of the meat. If you prefer a leaner cut, choose rump or sirloin. \*Approximate uncooked weights.

All our steak dishes are served with chunky chips, garden peas, tomato, mushrooms and beer battered onion rings. \* approximate uncooked weights.
